# Module 4 Reflections

# Reflection

What leadership opportunities are you interested in or already engaging in?

Reflection

How does your leadership style influence the way you build relationships with others?

What are two networking goals you have for the next 12 months?

What professional relationships or experiences have felt most meaningful so far?

# Deliverables

You can find a list of deliverables under the PIP NVOTA course modules.

You are not required to submit this. However, we would LOVE for you to share.

This is to help you build a tangible leadership portfolio for your leadership journey.
